TradingCheckup

PARTNER PROGRAM

Offer independent trading checks to your students, under your academy's name.

For trading educators, academies, EA builders, review sites and trading communities. We check past trades, EA code and strategy rules, and explain what we find in plain words. Information and analysis only, never trade tips.

THREE WAYS TO WORK TOGETHER

20%
Refer

You introduce someone, we do the work. 20% of their first order, and 20% of Pro for 12 months.

25% off
Resell packs

Sell our Educator or Bot Builder pack under your academy's name and keep the difference.

10% off
Student code

A personal code that gives your students 10% off their first order.

Scope and price confirmed in writing before anyone pays. Reports carry your academy's name.

Commission is paid in the month after the customer's payment clears and the refund window closes. Refunded orders pay none. Prices in US dollars.

HOW IT WORKS

1. Email us your academy or channel name.
2. We send your partner code.
3. Your audience quotes the code when they order.
4. We match the order and pay your share.

FAIR-PLAY RULES

- ✓ Say you may earn a commission
- ✓ No "pass the challenge" claims
- ✓ We never contact your students without your OK
- ✓ No profit or income promises
- ✓ Our tools are information, not advice
- ✓ Either side can stop any time
